OmniBook is based on
the *BookType* system

The screenshot displays the OmniBook web interface. At the top, a red header bar contains the text "OMNIBOOK" and the user information "Chris Jennings" and "British English". Below the header, a navigation bar includes a blue "Info" button and the title "Student Guide to Oxford". A toolbar with various editing tools like "Insert", "Edit", "Tools", "Normal Text", "A", "16", "B", "I", "U", "Quote", "Table", "Link", "Image", "List", "Table of Contents", "Page Number", "Page Header", "Page Footer", "Save", and "Close" is visible. The main content area shows a photograph of a street scene in Oxford, labeled "Carfax Tower". Below the photo, the text reads "Oxford Castle Quarter" and "Christ Church". On the right side, a "Chapter History" panel lists revisions with timestamps and usernames, including a "Restore" button for the most recent revision.
