`## Sights and Places of Interest`

`### University Church of St Mary the Virgin`

The largest of Oxford's parish churches. **St, Mary's tower** has 124 steps available for the public to climb and is a prominent feature of the Oxford skyline. The 13th century landmark is situated just off the High Street, where the intricate baroque porch designed by *Nicholas Stone* meets the street. This beautiful towering architecture cannot be missed.
